A screenshot of the Investwell web application's 'Meeting Notes' page. The interface has a blue sidebar on the left with navigation links: Dashboard, Clients, Folio Lookup, NSE Invest Online NSE, BSE Invest Online BSE, MFU Invest Online MFU, Loan against MF, and Utilities (expanded). Under Utilities, there are links for Top Schemes, Rolling Return Calculator, Task Manager, Goal Planner, Model Portfolio, and Calculators. The main content area is titled 'Utilities / Meeting Notes' and contains a form for creating a new meeting note. The form fields include: Client (SANJAY MEHRA), Subject (Equity Saturation Discussion), Date (15/10/2024), and Created By (Demo). There are also buttons for 'Weekly Call' and 'Evaluation'. A large text area for the Description contains three numbered points discussing equity market saturation, rebalancing, and alternative investments. The top right of the page has links for Settings, What's New, Help, and Demo.

- Map clients and document key takeaways from your meetings.
- Use the built-in text editor with essential formatting tools to stay organized and on track.
